Law Ting Pong Secondary School
羅定邦中學

About Our School

Founded in 1991 by Law's Foundation Limited, LTPSS was named after the visionary Mr. Law Ting Pong, and embodies his belief that "education rejuvenates the country." We are dedicated to providing a high-quality education that benefits both our society and our nation.

Our guiding motto, "Sincerity, Righteousness, Contemplation, and Practice" reflects our commitment to cultivating strong moral character in students and helping them realise their full potential.

As an English Medium Instruction (EMI) school since our inception, LTPSS has consistently prioritised the creation of an English-rich learning environment. In 2008, we joined the Direct Subsidy Scheme (DSS), gaining greater autonomy to develop a diverse, school-based curriculum tailored to our students' unique needs and aspirations.

關於我們

羅定邦中學由羅氏信託有限公司於1991年創辦，以堅信「教育興國」的羅定邦先生命名。本校旨在提供優質教育，造福社會和國家。本校以「誠、正、思、行」為校訓，致力於培養學生的品德，並幫助他們充分發揮學術潛能。

羅定邦中學自創立以來便是一所以英語作為授課語言的學校。為更佳地實踐本校的辦學理念，我們於2008年加入直接資助計劃（DSS），以享有較大的自由度，為學生提供更多元化的校本課程。

Our Professional Team

The teachers at LTPSS are not only qualified professionals in their respective disciplines but also passionate lifelong learners. They actively engage with the latest curriculum developments, technologies, and pedagogical approaches to ensure our students receive an education of the highest quality.

Committed to fostering an English-rich and culture-rich environment, our teaching team supports our students' language acquisition through a student-centred and inquiry-based approach. We utilise interactive tools and strategies — including small group teaching and flexible grouping — to enhance student engagement, promote higher-order thinking and effectively cater to our students' diverse needs.

Beyond regular classes, we offer a variety of extended learning opportunities designed to enrich students' educational experiences and broaden their horizons. These programmes encourage exploration, creativity, and critical thinking, helping students to develop a well-rounded perspective on the world.

我們的團隊

本校師資優良，各位老師亦以終身學習為己任，緊貼最新的課程、科技和教學方法，務求讓學生接受最高品質的教育。

本校專業的教學團隊致力為學生營造一個豐富的英語學習環境及推廣多元文化的校園氛圍，好讓學生能自然地學習及應用英語。

在教學方面，本校秉持以「學生為本」和「探究式學習」的教學方針，再配以互動教學工具，藉此提高學生的參與度，並發展他們的高階思維能力。本校利用小組教學和靈活的分組模式，以滿足學生不同的學習需求。除了常規課堂外，本校還為學生提供各種延伸學習機會，讓學生累積學習經驗，並擴闊視野。這些機會幫助培育學生的探索力、創造力和批判性思維，使學生擁有更全面的 world 觀。

STAR Nurturing

LTPSS is dedicated to fulfilling our vision of “Every Student a **STAR**.” Throughout a comprehensive six-year journey, our students engage in a wide array of learning experiences both inside and outside the classroom, focusing on their personal growth and the development of their overall character. This growth is centred around the four **S-T-A-R** qualities: **S**elf-management, **T**eachable spirit, **A**spiration, and **R**esilience. Themed assemblies and class teacher periods are vital in helping students understand the essence of these qualities and encouraging their development.

In the junior forms, students learn to manage their studies effectively by developing good learning habits, effective study skills, and time management strategies. They also cultivate a teachable spirit, embrace opportunities to learn from others and strive for excellence.

For our senior form students, we aim to foster aspirations and a strong sense of commitment to their community. This is achieved through various leadership opportunities in student bodies and organisations. We also provide career and life planning activities designed to help students identify their life goals and prepare for their future.

All students, regardless of grade level, are encouraged to step outside their comfort zones and develop resilience in various aspects of school life. LTPSS fosters an inclusive environment where students are mentored and nurtured to become shining **STARs** in their own right.

培育明星

本校一直致力於實現「每個學生都是閃爍明星」的願景。在六年的學校生活中，學生在課堂內外參與各種學習體驗，以培養**S-T-A-R**四個素質——即具備自我管理能力(**S**)、受教之心(**T**)、志向抱負(**A**)，以及迎難而上的韌力(**R**)。通過主題周會和班主任課，學生更了解這四種素質的重要性，從而鼓勵他們發展這些素質。

初中階段，學校致力培養學生良好的學習習慣、有效的學習技能和時間管理技巧，引導學生自我管理學習狀況，並培養他們的受教精神，令其樂於同儕互學，並追求卓越。

高中階段，學校透過不同的學生組織賦予擔任領袖的機會，培養學生貢獻社會的意識。學校亦通過一系列生涯規劃活動去協助學生探索人生目標及規劃未來。

此外，本校鼓勵各級學生走出舒適區，從不同的學校生活範疇培養抗逆力。學校也營造了一個共融的環境，讓學生得到指導和栽培，成為閃亮的「**STAR**」。

Diversified Curriculum 多元課程

LTPSS offers a diversified curriculum designed to equip students for the future. Our approach seamlessly integrates the development of knowledge, skills, values and attitudes across all subjects in alignment with our **S-T-A-R** qualities. The curriculum not only inspires a joy for learning but also empowers students to become self-directed lifelong learners.

本校提供廣泛而多元化的課程，為學生的未來做好準備。本校課程融合了學科知識、技能、價值觀及態度的培育與發展，與 **S-T-A-R** 特質環環相扣。學生不僅樂於學習，還能培養自主學習和終身學習的能力。

Junior Curriculum 初中課程 - Igniting Sparks, Nurturing Foundations 點燃學習火花 奠定穩固基礎

Living English — Immersed, Empowered, Inspired 英語薈萃 — 浸沉、賦能、啟發

At LTPSS, English is used as the primary medium of instruction to foster an authentic English-speaking environment. In addition to using English in all classes except Chinese and Chinese History, students are immersed in English throughout the school day. This includes morning assemblies, student announcements, and our “STAR Time” Programme, which is a regular broadcast produced by the school's Campus Media Team.

Our school-based English curriculum integrates language arts elements, such as novels, plays, poetry, and short stories, to inspire students' creativity and imagination. In English lessons, students have ample opportunities to acquire and refine their language skills through student-centred learning approaches. They are engaged in dynamic language activities that enhance their reading, writing and speaking skills. Through interactive lessons using technology like Interactive Flat Panels, D.E.A.R. (Drop Everything and Read) time, diverse tasks across different genres and disciplines, students are nurtured as motivated self-directed learners.

Outside the classroom, students participate in a variety of English activities that further enhance their language proficiency. These include debating, public speaking, radio broadcasting, author-led writing workshops, and overseas study tours.

為創設真正的英語環境，除了中國語文科及中國歷史科外，本校所有科目均採用英語作教學語言。除了課堂之外，早會、匯報，乃至校園電視台定期廣播的校園節目「Star Time」皆以英語進行，好讓學生時刻沉浸在英語之中。

本校的校本英語課程為培養學生的創造力和想像力，融合了小說、戲劇、詩歌、短篇小說等語言藝術元素。英語課堂亦以學生為本，提供充足的機會讓學生學習並提高他們的英語能力。課程讓學生參與各種活力十足的語文活動，透過以互動電子學習顯示屏支援的互動課堂，D.E.A.R. 閱讀時段及多元化的學習任務，提升學生在英語的閱讀、寫作及說話方面的能力，並推動他們成為更積極的自主學習者。

在課堂以外，學生亦可參加各種英語活動，包括辯論、公開演講、廣播、由作家帶領的寫作工作坊，以及海外遊學團等活動，從而進一步提升語言能力。

Cultural Sparks — Discovering Hispanic Vibrancy

文化火花 — 探索西班牙文化魅力

We are proud to be one of the few pioneers in Hong Kong to have offered Spanish as a subject. In S1, all students embark on this exciting linguistic journey, with the option to continue exploring and mastering the language as an elective from S2 onward. Students who choose Spanish as a HKDSE elective subject will sit for the “Diploma of Spanish as a Foreign Language” examination (DELE), a globally recognised qualification.

At LTPSS, Hispanic culture is woven into the Spanish curriculum and actively infused into school life through various engaging activities. The highlight of our cultural programme is the annual Hispanic Week, during which all students and staff immerse themselves in an authentic Hispanic experience. This celebration includes Latin music, dance workshops, cooking lessons, and a variety of other exciting activities.

本校是香港少數提供西班牙語科的本地先驅學校。所有中一學生均須修讀西班牙語，中二起可改為選修科目。學生可修讀西班牙語作為香港中學文憑試的選修科，並參加受全球認可的「對外西班牙語水平證書」（DELE）考試。

除了課堂外，西班牙文化還通過各種活動融入校園生活之中。其中重中之重莫過於一年一度的西班牙文化周。全校師生透過參與慶祝活動，包括拉丁音樂、舞蹈工作坊、烹飪課和各種有趣的活動，親身體驗多姿多采的西班牙文化。

New Horizons — Exploring Japanese Language and Culture

新視野 — 認識日本語言與文化

As part of our commitment to fostering global citizenship and broadening cultural horizons, our school introduces a Japanese class as an elective subject within the School-Based Enhancement Programme for junior form students. This initiative offers students the opportunity to explore Japanese language, traditions, and culture, equipping them with skills to engage confidently in an interconnected world.

為了培養學生成為全球公民並擴闊他們的文化視野，本校在初中校本增潤課程中新引入日語選修課。此計劃給予學生探索日本語言、傳統及文化的機會，建立他們在互聯世界中自信互動的能力。

Chinese as a Second Language 中文作為第二語言

While English serves as the primary medium of instruction at LTPSS, the Chinese language, history, and culture hold equal significance for all students, including non-Chinese speaking (NCS) students. To support NCS students in their acquisition of Chinese language and history, the school offers a tailored curriculum specifically designed to prepare them for the IGCSE or GCE A-Level Chinese examinations.

雖然英語是本校主要的教學語言，但中國語文、歷史和文化對所有學生（包括非華語學生）都同樣重要。為了支援非華語學生學習中國語文及歷史，學校因應學生所需，提供專為備考IGCSE或GCE A-Level中文科考試而設計的課程。

Shine on Stage — Express, Perform, Inspire 舞台閃耀 — 表達、演出、啟迪

The Performing Arts programme is available to all S1 students, with the option for S2 to S5 students to continue their studies in this dynamic subject. The Performing Arts curriculum offers a unique and engaging experience where students learn and practise essential skills related to acting and staging drama productions. The programme not only enhances students' creativity and imagination but also fosters their self-confidence, communication skills, and teamwork.

Furthermore, our Drama Team provides a truly fascinating stage for talented performers to further develop their skills. Participation in this team is both a rewarding and celebrated experience, with school-wide recognition for their exceptional efforts and achievements.

「表演藝術科」為中一學生的必修科目，學生於中二至中五亦可選擇繼續修讀。「表演藝術科」提供了獨特而具活力的體驗，學生可以從中學學習並實踐與表演和舞台戲劇製作相關的知識，增強學生的創造力、想像力、自信心、溝通技巧和團隊合作精神。

此外，本校另設立戲劇隊(Drama Team)，為學生提供真正的舞台，進一步培養他們的才華。戲劇隊的努力和成就有目共睹，本校歡迎並鼓勵更多學生參與這有意義的經歷。

LTPSS Drama Team achieved the Outstanding Overall Performance and Outstanding Male Actor Awards from the Tai Po Drama Festival 2024
戲劇隊榮獲2024/25年度大埔戲劇節最佳整體演出及最佳男演員獎

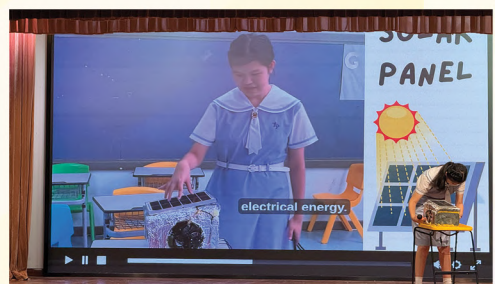

Curiosity in Action — Innovating through STEAM 創意動力 — STEAM 創新學習

Embedded within our junior curriculum, the 3-tier STEAM implementation model equips students with essential mindsets, knowledge and skills through the Innovation Technology course and interdisciplinary projects in S1 and S2, preparing them to creatively tackle real-world problems.

Curiosity is fueled through engaging STEAM morning reading sessions and assembly talks, keeping students up to date with the latest advancements. A diverse array of on- and off-site STEAM activities including workshops, study tours and competitions help ignite their enthusiasm and enable them to showcase their talents.

In the iMaker Club, specialised training and competition opportunities that aim to spark students' creativity and drive their passion for innovation are offered to ensure every student has the chance to shine.

本校於初中課程採用STEAM三層架構推廣模式，透過中一級及中二級的創新科技課程和跨學科專題研習為學生提供基本的思維方式、知識和技能，讓學生裝備自己，於日後運用創意解決現實世界中的種種問題。

STEAM 早讀時段和有關周會講座讓學生對創新科技充滿好奇，並讓學生緊貼和了解科技發展。無論是校內還是校外，工作坊、遊學團、比賽等豐富多彩的STEAM活動皆能激發學生的熱情，讓他們一展所長。

iMaker學會亦為學生提供專門的培訓和比賽機會，激發學生的創意，讓學生對創新科技充滿熱情，並確保每個學生都有機會發光發熱。

Senior Curriculum 高中課程 - Polishing Potential, Guiding Aspirations 優化學習 啟導志向

Pathways Ahead — Flexibility in Senior Studies 多元路向 — 靈活的高中課程

LTPSS follows the Hong Kong Diploma of Secondary Education (HKDSE) curriculum, which includes four core subjects: Chinese Language, English Language, Mathematics, and Citizenship and Social Development.

In addition to the core subjects, students may choose 2 to 3 elective subjects from a broad selection of academic subjects, including sciences, humanities and business. We also offer Applied Learning (ApL) courses, such as “Multimedia Storytelling”, co-organised with Hong Kong Baptist University, as well as additional language options like Spanish and Japanese.

This flexible curriculum nurtures students' potential and guides them toward their aspirations, equipping them with the skills, knowledge and global perspective for future success.

本校採用香港中學文憑試（HKDSE）課程，涵蓋四個核心科目：中國語文、英國語文、數學，以及公民與社會發展。

除核心科目外，學生可從多元的學術選修科目中選擇兩至三科，包括理科、人文科及商科。本校亦提供應用學習（ApL）課程，例如與香港浸會大學合辦的「多媒體故事」課程，以及其他語文選修，如西班牙語及日語。

這套靈活的課程旨在啟發學生潛能，引導他們探索志向，並全面裝備未來成功所需的技能、知識與國際視野。

Potential in Focus — Enrichment for Two - Elective Learners 聚焦潛能 — 兩科選修延伸課程

Our senior form curriculum features a school-based Enhancement Programme, specifically tailored for students taking two electives. This programme offers a variety of options that aims at strengthening students' core subject mastery while nurturing their interests and talents. Key areas of focus include Art and Creativity, Creative Technology, Putonghua and IELTS preparation.

本校高中課程亦設有專為選擇兩個選修科目的學生而設的校本增潤課程，從而加強學生對核心科目的掌握，並藉此培養學生的興趣和才能。增潤課程選擇豐富，主要範疇包括藝術及創意、創意科技、普通話，以及雅思考試的應試準備。

Leadership Development 領袖發展

Over 40 school teams and clubs that encourage physical, mental and leadership growth among students alongside their academic studies are offered at LTPSS. Our STARs develop their leadership skills by participating in various units, including the Student Association, Houses, the School Prefects Team, class associations, clubs and teams.

Students also have ample opportunities to refine their leadership and teamwork skills by engaging with external organisations such as the Community Youth Club, Junior Police Call and Award for Young People, and Tai Po Youth Network. Additionally, participation in Uniform Groups, such as the St. John Ambulance Brigade Youth Command, Girl Guides, Hong Kong Adventure Corps, and Hong Kong Air Cadet Corps, helps students cultivate their self-discipline and commitment to community service.

本校設有超過40個校隊及學會，鼓勵學生除了專注學術之外，亦能在身體、心理和領導才能上得以成長。本校學生通過參與不同的學生組織培養領導才能，包括學生會、社、領袖生團隊、班會、學會和校隊等。

Home-School Cooperation 家校合作

Parents are essential stakeholders and partners in our school community. By maintaining close contact with LTPSS, they gain insights into the school's educational philosophy and operations. Together with the school, parents contribute to creating a healthy campus environment that nurtures our students.

We are grateful for the strong support from LTPSS parents, who actively engage with the school and the Parent-Teacher Association (PTA). Their participation in events such as Parents' Night, Info Day, Sports Day, and Chinese Culture Day demonstrates their commitment to our school community and enhances the overall educational experience of our students.

家長是學校重要的持份者之一，也是我們的夥伴。透過與校方保持密切聯繫，家長能深入了解學校的教育理念和運作，共同締造健康的校園環境，從而栽培本校的學生。

本校欣見家長對學校不遺餘力的支持。家長通過家長晚會、學校資訊日、運動會、中華文化日等活動，積極與本校和家長教師會合作，展現出對學校的信賴，並一同加強學生的學習體驗。

Words of Appreciation

欣賞之言

感謝羅定邦中學，這裡不只是學知識的地方，更是一個溫暖的家。學校不只教導同學課本裏的知識，更教會他們怎麼跟人合作、怎麼面對失敗。從社團到運動會，從服務學習到舞台表演，學校讓他們學到實用技能，還有一顆溫暖又堅強的心。在這裡，他們不只是學會解難，更學會了解決問題的勇氣；不只是背下經典，更學會了做人的道理。感謝學校，用更廣闊的舞台代替教室的圍牆，讓他們在體驗中學習，在成長中成就更好的自己。

Words of Gratitude

感謝之言

I would like to express my sincere gratitude for the opportunities presented to me over the past six years at LTPSS. My time at LTPSS has been both academically enriching and personally formative. Not only did I gain valuable knowledge but also build enduring friendships with my peers, with whom I shared a supportive journey through both successes and hardships. The teaching staff played an important role in my development, demonstrating dedication in preparing us for the HKDSE examinations and motivating us to strive for our best. Moreover, my experience as Vice-Chairperson in both Youthnity and the Student Association were critical to my personal growth. These experiences equipped me with practical skills in communication and teamwork and fostered a remarkable transformation in my self-confidence, enabling me to grow the courage to speak in front of the whole school. The experiences LTPSS has provided me are deeply cherished, and I would like to carry them forward as I progress to the next stage of my life.

My six-year journey at LTPSS was a path that was both incredibly challenging and deeply rewarding, which shaped who I am today. I am filled with a profound sense of gratitude for having met the people here.

To the inspiring teachers, your dedication went far beyond the syllabus. You motivated me to learn how to contribute positively to society. This lesson, more than any formula or essay structure, is one I will carry for life. Your constant encouragement and unwavering support were my anchor during the stressful days of the HKDSE exams, giving me the strength to persevere.

To my friends who became family, thank you for the laughter and the support; these are the lifelong friendships I will forever cherish. As I close this chapter and prepare for the next, I carry with me not just academic knowledge, but the resilience, values, and wonderful relationships nurtured over the past six years. Thank you, LTPSS, for the unforgettable memories and for equipping me for the future.

As I graduate from LTPSS, I am filled with gratitude and nostalgia. To my teachers, I want to thank them for their unwavering support, guidance, and encouragement. To my friends, the memories we've created together will forever hold a special place in my heart. LTPSS is not only a place for learning, but a close community that teaches us discipline and the qualities of becoming STAR learners, which are important for our growth. As I step into the next chapter of my life, I will carry with me the lessons I learned from LTPSS, feeling excited and hopeful of what lies ahead.
